

EVENTS OF DAY IN WEST SCRANTON

JAMES G. BAILEY SPEAKS IN FIRST BAPTIST CHURCH.

Addressed Rev. Mathews' congregation on the subject "Filled with the Spirit"—Annual Meeting and Election of St. Peter's T. A. B. Society—Demented Man Died at the Hospital—Little Folks Entertained—News of the Churches. Funerals and Other Notes.

James G. Bailey, licentiate, preached in the First Baptist church yesterday morning, and last evening D. W. Thomas, a graduate of Bucknell university, occupied the pulpit. The pastor, Rev. S. F. Matthews, is confined to his home by illness.

At the first Baptist church yesterday morning, James G. Bailey spoke on the subject "Filled with the Spirit," and took his text from Acts, xix: 5: "He said unto them, Have you received the Holy Ghost since you believed? And they said unto him, We have not so much as heard whether there be any Holy Ghost."

"These are the words of Paul to twelve disciples at Ephesus. Since Paul realized that only through the Spirit could he completely do his Master's will, he naturally upon meeting them inquires if they have received the Holy Ghost; and not only learns that they have not received it, but also that they have not so much as heard whether there be any Holy Ghost. In these latter days there is much heard and said, as Paul prophesied there would be, about spirits, divinations and such things. Sometimes our minds are clouded in regard to these, more so in the younger ones, and when we speak of the Holy Ghost they have a wrong conception about the matter.

"The Holy Ghost, also called Spirit and Comforter, for that is one of his chief missions, is that power invisible, considered as a person, which works directly between God and man, and makes known to man God's desires. Although from the creation the power of the Spirit has been manifested, nevertheless his true office was not established until after the death of Christ.

"With this thought in mind we can see what Christ meant when he said: 'It is expedient for you that I go away.' So long ago he was here on earth ministering to the people, preaching to the poor, healing the sick, forgiving sins, no other Comforter was needed, for 'He himself bore our infirmities.' Since his power is divine, it is universal, because the power of God is mighty, glorious, everlasting and incomparable. It is the Spirit that makes the word so wonderful.

"The one thing needful for the Church of Christ in our day, and for every
